

Un Seren

Pe bawn i'n gallu dweud wrth Dadcu
Bod na ddynion wedi cerdded ar y lleuad
Byddai'n anodd ganddo gredu
bod dyn wedi medru mynd mor bell
Mor bell, ond dyna ni, mae'n rhyfedd o fyd

A phe bawn i'n gallu dweud wrth Mamgu
Bod na ser heibio ser
yn ol ein gwyddonwyr ni
Byddai'n anodd ganddi gredu
bod dyn wedi medru gweld mor bell
Mor bell, ond dyna ni, mae'n rhyfedd o fyd

Ond o! Nid felna bu hi
Na, roedd pethau yn well bryd hynny
Neu efallai ma fi sy'n hen ffasiwn

Ond dim ond un seren, un seren
Dim ond un seren oedd yn bwysig i ni
Dim ond un seren, fry uwch Bethlehem
Dim ond un seren, a gymrodd ein brud

O'r Nadolig! Mae'n ddrud, mae'n drafferth
Na'r Nadolig, mae'n em, mae'n brydferth
Ac mae'n anodd gen I gredu
bod dyn wedi medru anghofio
Yn llwyr, prydferthwch, rhyfeddod yr ŵyl

Achos o! Nid felna bu hi,
Na, roedd pethau yn well bryd hynny
Neu efallai ma fi sy'n hen ffasiwn

Ond dim ond un seren, un seren
Dim ond un seren oedd yn bwysig i ni
Dim ond un seren, fry uwch Bethlehem
Dim ond un seren, a gymrodd ein brud

Un Seren

(translation of meaning - not for singing)

*If only I could tell my grandfather
That men have walked on the moon
It would be hard for him to believe
that man has been able to go so far
So far, but there we are, it's a strange world*

*And if only I could tell my grandmother
That there are stars past the stars
according to our scientists
It would be hard for her to believe
that man has been able to see so far
So far, but there we are, it's a strange world*

*But oh! That's not how it was
No, things were better back then
Or perhaps it's me that's old fashioned*

*But there's only one star, one star
Only one star that was important to us
Only one star, high above Bethlehem
Only one star, that captured our mind/imagination*

*Christmas! It's expensive, it's a hassle
No Christmas, it's a gem, it's beautiful
It's hard for me to believe
that man can forget
Completely, the beauty and wonder of the festival*

*Because oh! That's not how it was
No, things were better back then
Or perhaps it's me that's old fashioned*

*But there's only one star, one star
Only one star that was important to us
Only one star, high above Bethlehem
Only one star, that captured our mind/imagination*
