| Acrocephalus arundinaceus  | great reed warbler         | telor mawr y cyrs (g), -ion mawr y cyrs                      |
| Acrocephalus paludicola    | aquatic warbler            | telor y dw'r (g), -ion y dw'r                                |
| Acrocephalus palustris     | marsh warbler              | telor y gwerni (g), -ion y gwerni                            |
| Acrocephalus schoenobaenus | sedge warbler              | telor yr hesg (g), -ion yr hesg                              |
| Acrocephalus scirpaceus    | reed warbler               | telor y cyrs (g), -ion y cyrs                                |
| Actitis hypoleucos         | common sandpiper           | pibydd y dorlan (g), -ion y dorlan                           |
| Actitis macularia          | spotted sandpiper          | pibydd brych (g), -ion brych(ion)                            |
| Aegithalidae               |                            | titwod cynffon-hir                                           |
| Aegithalos caudatus        | long-tailed tit            | titw cynffon-hir (g), -od cynffon-hir                        |
| Aegypius monachus          | black vulture              | fwltur du (g), fwlturiaid du(on)                             |
| Agnatha                    |                            | pysgod di-en                                                 |
| Agnatha                    |                            | pysgod di-en                                                 |
| Agonidae                   |                            | penbyliaid môr                                               |
| Agonus cataphractus        | pogge                      | penbwl môr (g), penbyliaid môr                               |
| Aix galericulata           | mandarin duck              | hwyaden gribog (b), hwyaid cribog                            |
| Alauda arvensis            | skylark                    | ehedydd (g), -ion                                            |
| Audubonidae                |                            | ehedyddion                                                   |
| Alburnus alburnus          | bleak                      | gorwyniad (g), gorwyniaid                                    |
| Alca torda                 | razorbill                  | llurs (b), -od                                               |
| Alcedinidae                |                            | gleision y dorlan                                            |
| Alcedo atthis              | kingfisher                 | glas y dorian (g), gleision y dorlan                         |
| Alcidae                    |                            | carfilod                                                     |
| Alectoris rufa             | red-legged partridge       | petrisen goesgoch (b), petris coesgoch                       |
| Alle alle                  | little auk                 | carfil bach (g), -od bach                                    |
| Alopias vulpinus           | thresher                   | llwynog môr (g), -od môr                                     |
| Alopoehena aegyptiacus     | Egyptian goose             | gw*ydd yr Aifft (b), gwyddau yr Aifft                        |
| Alosa alosa                | allis shad                 | herlyn (g), -od                                              |
| Alosa alosa                | allis shad                 | herlyn (g), -od                                              |
| Alosa fallax               | twait shad                 | gwangen (b), gwangod                                         |
| Alosa fallax               | twait shad                 | gwangen (b), gwangod                                         |
| Ambloplites rupestris      | rock bass                  | swilyn tagell-ddu (g), swilod tagell-ddu                     |
| Ammodytes tobianus         | sand-eel                   | llymrien (b), llymriaid                                      |
| AMPHIBIA                   |                            | amffibiaid                                                   |
| Anarhichas denticulatus    | jelly cat                  | morflaidd brith danheddog (g), morfleiddiaid brith danheddog |
| Anarhichas lupus           | catfish                    | morflaidd (g), morfleiddiaid                                 |
| Anarhichas minor           | spotted catfish            | morflaidd brith (g), morfleiddiaid brith(ion)                |
| Anas acuta                 | pintail                    | hwyaden lostfain (b), hwyaid llostfain                       |
| Anas americana             | American widgeon           | chwiwell America (b), -od America                            |
| Anas crecca                | teal                       | corhwyaden (b), corhwyaid                                    |
| Anas crecca carolinensis   | green-winged teal          | corhwyaden asgell-werdd (b), corhwyaid asgell-wyrdd          |
| Anas discors               | blue-winged teal           | corhwyaden asgell-las (b), corhwyaid asgell-las              |
| Anas penelope              | wigeon                     | chwiwell (b), -od                                            |
| Anas platyrhynchos         | mallard                    | hwyaden wyllt (b), hwyaid gwyllt(ion)                        |
| Anas querquedula           | garganey                   | hwyaden addfain (b), hwyaid addfain                          |
| Anas rubripes              | black duck                 | hwyaden ddu (b), hwyaid du(on)                               |
| Anas strepera              | gadwall                    | hwyaden lwyd (b), hwyaid llwyd(ion)                          |
| Anatidae                   |                            | hwyaid                                                       |
| Anguilla anguilla          | eel                        | llysywen (b), llysywod                                       |
| Anguilla anguilla          | common eel                 | llysywen (b), llysywod                                       |
| Anguillidae                |                            | llysywod                                                     |
| Anguilliformes             |                            | llysywod                                                     |
| Anguis fragilis            | slow-worm                  | neidr ddefaid (b), nadroedd defaid                           |
| Anser albifrons            | white-fronted goose        | gw*ydd dalcen-wen (b), gwyddau talcen-wyn                    |
| Anser anser                | greylag goose              | gw*ydd wyllt (b), gwyddau gwyllt(ion)                        |
| Anser brachyrhynchus       | pink-footed goose          | gw*ydd troetbinc (b), gwyddau troetbinc                      |
| Anser caerulescens         | snow goose                 | gw*ydd yr eira (b), gwyddau'r eira                           |
| Anser erythropus           | lesser white-fronted goose | gw*ydd dalcen-wen leiaf (b), gwyddau talcen-wyn lleiaf       |
| Anser fabalis              | bean goose                 | gw*ydd y llafur (b), gwyddau'r llafur                        |
| Anseridae                  |                            | elyrch a gwyddau                                             |
| Anthus campestris          | tawny pipit                | corhedydd melyn (g), -ion melyn(ion)                         |

|                                   |                            |                                                              |
|-----------------------------------|----------------------------|--------------------------------------------------------------|
| <i>Anthus cervinus</i>            | red-throated pipit         | corhedydd gyddfgoch (g), -ion gyddfgoch                      |
| <i>Anthus novaeseelandiae</i>     | Richard's pipit            | corhedydd Richard (g), -ion Richard                          |
| <i>Anthus petrosus</i>            | rock pipit                 | corhedydd y graig (g), -ion y graig                          |
| <i>Anthus pratensis</i>           | meadow pipit               | corhedydd y waun (g), -ion y waun                            |
| <i>Anthus spinoletta</i>          | water pipit                | corhedydd y dw'r (g), -ion y dw'r                            |
| <i>Anthus trivialis</i>           | tree pipit                 | corhedydd y coed (g), -ion y coed                            |
| <i>Aphia minuta</i>               | transparent goby           | gobi tryloyw (g), gobiody tryloyw                            |
| <i>Apodemus flavicollis</i>       | yellow-necked mouse        | llygoden fronfelen (b), llygod bronfelyn                     |
| <i>Apodemus sylvaticus</i>        | wood mouse                 | llygoden y coed (b), llygod y coed                           |
| <i>Apodidae</i>                   |                            | gwenoliaid du(on)                                            |
| <i>Apus affinis</i>               | little swift               | gwennol ddu fach (b), gwenoliaid du bach                     |
| <i>Apus apus</i>                  | swift                      | gwennol ddu (b), gwenoliaid du(on)                           |
| <i>Apus melba</i>                 | Alpine swift               | gwennol ddu yr Alpau (b), gwenoliaid du(on) yr Alpau         |
| <i>Apus pallidus</i>              | pallid swift               | gwennol ddu welw (b), gwenoliaid du gwelw(on)                |
| <i>Aquila chrysaetos</i>          | golden eagle               | eryr euraid (g), -od euraid                                  |
| <i>Ardea cinerea</i>              | heron                      | crêyr glas (g), crehyrod                                     |
| <i>Ardea purpurea</i>             | purple heron               | crêyr porffor (g), crehyrod porffor                          |
| <i>Ardeidae</i>                   |                            | crehyrod                                                     |
| <i>Ardeola ralloides</i>          | squacco heron              | crêyr melyn (g), crehyrod melyn(ion)                         |
| <i>Arenaria interpres</i>         | turnstone                  | cwtiad y traeth (g), cwtiaid y traeth                        |
| <i>Argentina silus</i>            | greater argentine          | pysgodyn arian mawr (g), pysgod arian mawr(ion)              |
| <i>Argentina sphyraena</i>        | argentine                  | pysgodyn arian bach (g), pysgod arian bach                   |
| <i>Argentinidae</i>               |                            | pysgod arian                                                 |
| <i>Argyrosomus regius</i>         | meagre                     | drymiwr (g), drymwyr                                         |
| <i>Arnoglossus imperialis</i>     | Trier's scaldfish          | lledod gribog (b), lledod cribog                             |
| <i>Arnoglossus laterna</i>        | imperial scaldfish         | lledod chwith fach (b), lledod chwith bach                   |
| <i>Arnoglossus thori</i>          | turbot                     | lledod Thor (b), lledod Thor                                 |
| <i>Arctiellus atlanticus</i>      | Atlantic hook-ear sculpin  | sgorpion môr bachog (g), -iaid môr bachog                    |
| <i>Artiodactyla</i>               |                            | carnolion deugarn                                            |
| <i>Arvicola terrestris</i>        | water vole                 | llygoden bengron y dw'r (b), llygod pengrwn y dw'r           |
| <i>Asio flammeus</i>              | short-eared owl            | tylluan glustiog (b), -od clustiog                           |
| <i>Asio otus</i>                  | long-eared owl             | tylluan gorniog (b), -od corniog                             |
| <i>Aspitrigla cuculus</i>         | tub gurnard                | ysgyfarnog fôr (b), -od môr                                  |
| <i>Aspitrigla obscura</i>         | long-finned gurnard        | chwyrnwr asgell-hir (g), chwyrnwyr asgell-hir                |
| <i>Athene noctua</i>              | little owl                 | tylluan fach (b), -od bach                                   |
| <i>Atherina boyeri</i>            | big-scale sand-smelt       | pysgodyn ystlys-arian cennog (g), pysgod ystlys-arian cennog |
| <i>Atherina presbyter</i>         | sand-smelt                 | pysgodyn ystlys-arian (g), pysgod ystlys-arian               |
| <i>Auxis rochei</i>               | frigate mackerel           | macrell Roche (b), mecryll Roche                             |
| <b>AVES</b>                       |                            | adar                                                         |
| <i>Aythya collaris</i>            | ring-necked duck           | hwyaden dorchog (b), hwyaid torchog                          |
| <i>Aythya ferina</i>              | pochard                    | hwyaden bengoch (b), hwyaid pengoch                          |
| <i>Aythya fuligula</i>            | tufted duck                | hwyaden gopog (b), hwyaid copog                              |
| <i>Aythya marila</i>              | scaup                      | hwyaden benddu (b), hwyaid penddu                            |
| <i>Aythya nycora</i>              | ferruginous duck           | hwyaden lygadwen (b), hwyaid llygadwyn                       |
| <i>Balaenoptera acutorostrata</i> | minke whale/lesser rorqual | morfil pigfain (g), -od pigfain                              |
| <i>Balaenoptera borealis</i>      | sei whale                  | morfil asgellog sei (g), -od asgellog sei                    |
| <i>Balaenoptera musculus</i>      | blue whale                 | morfil asgellog glas (g), -od asgellog glas/gleision         |
| <i>Balaenoptera physalus</i>      | fin whale/common rorqual   | morfil asgellog llwyd (g), -od asgellog llwyd(ion)           |
| <i>Balistes carolinensis</i>      | triggerfish                | pysgodyn clicied (g), pysgod clicied                         |
| <i>Balistidae</i>                 |                            | pysgod clicied                                               |
| <i>Barbastella barbastellus</i>   | barbastelle                | ystlum du (g), -od du(on)                                    |
| <i>Barbus barbus</i>              | barbel                     | barfogyn (g), barfogiad                                      |
| <i>Bartramia longicauda</i>       | upland sandpiper           | pibydd cynffon-hir (g), -ion cynffon-hir                     |
| <i>Batidoidimorpha</i>            |                            | morgathod                                                    |
| <i>Belone belone</i>              | garfish                    | cornbig (g), -au                                             |
| <i>Belonidae</i>                  |                            | cornbigau                                                    |
| <i>Blennioidei</i>                |                            | llyfrothod                                                   |
| <i>Blennius ocellaris</i>         | butterfly blenny           | llyfrothen adeiniog (b), llyfrothod adeiniog                 |
| <i>Blicca bjoerkna</i>            | silver bream               | merfog gwyn (g), -iaid gwyn(ion)                             |
| <i>Bombycilla garrulus</i>        | waxwing                    | cynffon sidan (b), -nau sidan                                |
| <i>Bombycillidae</i>              |                            | cynffonnau sidan                                             |
| <i>Boops boops</i>                | bogue                      | pysgodyn llygad-llo (g), pysgod llygad-llo                   |
| <i>Boreogadus saida</i>           | polar cod                  | penfras y Gogledd (g), penfreision y Gogledd                 |
| <i>Botaurus lentiginosus</i>      | American bittern           | aderyn y bwn America (g), adar y bwn America                 |
| <i>Botaurus stellaris</i>         | bittern                    | aderyn y bwn (g), adar y bwn                                 |
| <i>Brama brama</i>                | Ray's bream                | merfog môr (g), -iaid môr                                    |
| <i>Branta bernicla</i>            | Brent goose                | gw^ydd ddu (b), gwyddau du(on)                               |
| <i>Branta canadensis</i>          | Canada goose               | gw^ydd Canada (b), gwyddau Canada                            |
| <i>Branta leucopsis</i>           | barnacle goose             | gw^ydd wyran (b), gwyddau gwyrn                              |
| <i>Branta ruficollis</i>          | red-breasted goose         | gw^ydd frongoch (b), gwyddau brongoch                        |
| <i>Brosme brosme</i>              | torsk                      | torsg (g), -iaid                                             |
| <i>Bubulcus ibis</i>              | cattle egret               | crêyr y gwartheg (g), crehyrod y gwartheg                    |
| <i>Bucephala clangula</i>         | goldeneye                  | hwyaden lygad-aur (b), hwyaid llygad-aur                     |
| <i>Buenia jeffreysii</i>          | Jeffreys's goby            | gobi Jeffreys (g), gobiody Jeffreys                          |

|                           |                          |                                                      |
|---------------------------|--------------------------|------------------------------------------------------|
| Bufo bufo                 | common toad              | llyffant dafadennog (g), -od dafadennog              |
| Bufo calamita             | natterjack               | llyffant y twyni (g), -od y twyni                    |
| Bufo                      |                          | llyffantod dafadennog                                |
| Buglossidium luteum       | solenette                | lleden felen fach (b), lledod melyn bach             |
| Bulweria bulwerii         | Bulwer's petrel          | pedryn Bulwer (g), -nod Bulwer                       |
| Burhinidae                |                          | rhedwyr y moelydd                                    |
| Burhinus oedicephalus     | stone curlew             | rhedwr y moelydd (g), rhedwyr y moelydd              |
| Buteo buteo               | buzzard                  | bwncath (g), -od                                     |
| Buteo lagopus             | rough-legged buzzard     | boda bacsio (g), -od bacsio                          |
| Calandrella brachydactyla | short-toed lark          | ehedydd llwyd (g), -ion llwyd(ion)                   |
| Calcarius lapponicus      | Lapland bunting          | bras y Gogledd (g), breision y Gogledd               |
| Calidris alba             | sanderling               | pihydd y tywod (g), -ion y tywod                     |
| Calidris alpina           | dunlin                   | pihydd y mawn (g), -ion y mawn                       |
| Calidris bairdii          | Baird's sandpiper        | pihydd Baird (g), -ion Baird                         |
| Calidris canutus          | knot                     | pihydd yr aber (g), -ion yr aber                     |
| Calidris ferruginea       | curlew sandpiper         | pihydd cambig (g), -ion cambig                       |
| Calidris fuscicollis      | white-rumped sandpiper   | pihydd tinwyn (g), -ion tinwyn                       |
| Calidris maritima         | purple sandpiper         | pihydd du (g), -ion du(on)                           |
| Calidris melanotos        | pectoral sandpiper       | pihydd cain (g), -ion cain/ceinion                   |
| Calidris minuta           | little stint             | pihydd bach (g), -ion bach                           |
| Calidris pusilla          | semi-palmated sandpiper  | pihydd llwyd (g), -ion llwyd(ion)                    |
| Calidris temminckii       | Temminck's stint         | pihydd Temminck (g), -ion Temminck                   |
| Callionymus lyra          | dragonet                 | bwgan dw'r (g), -od dw'r                             |
| Callionymus maculatus     | spotted dragonet         | bwgan brith (g), -od brith(ion)                      |
| Callionymidae             |                          | bwganod dw'r                                         |
| Calonectris diomedea      | Cory's shearwater        | aderyn drycin Cory (g), adar drycin Cory             |
| Capra hircus              | feral goat               | gafr wyllt (b), geifr gwyllt(ion)                    |
| Capreolus capreolus       | roe deer                 | iwrch (g), iyrchod                                   |
| Caprimulgidae             |                          | troellwyr                                            |
| Caprimulgus europaeus     | nightjar                 | troellwr mawr (g), troellwyr mawr(ion)               |
| Carduelis carduelis       | goldfinch                | nico (gb), -s                                        |
| Carduelis chloris         | greenfinch               | llinos werdd (b), -iaid gwyrdd(ion)                  |
| Carduelis spinus          | siskin                   | pila gwyrdd (g), -od gwyrdd(ion)                     |
| Caretta caretta           | common loggerhead turtle | crwban môr pendew (g), -od môr pendew                |
| Carnivora                 |                          | cig-fwytafwr                                         |
| Carpodacus erythrinus     | scarlet rosefinch        | llinos goch (b), -iaid coch(ion)                     |
| Carrasius auratus         | goldfish                 | pysgodyn aur (g), pysgod aur                         |
| Carrasius carassius       | crucian carp             | byrbysgodyn (g), byrbysgod                           |
| Catharus minimus          | grey-cheeked thrush      | bronfraith fochlwyd (b), bronfreithod bochlwyd       |
| Centrarchidae             |                          | pengrynion                                           |
| Centrolabrus exoletus     | rock cook                | bol melyn (g), -iau melyn(ion)                       |
| Centrolophus niger        | blackfish                | pysgodyn du (g), pysgod du(on)                       |
| Cephus gryllus            | black guillemot          | gwylog ddu (b), -od du(on)                           |
| Certhia familiaris        | tree creeper             | dringwr bach (g), dringwyr bach                      |
| Certhiidae                |                          | dringwyr bach                                        |
| Cervus elaphus            | red deer                 | carw coch (g), ceirw coch(ion)                       |
| Cervus nippon             | sika deer                | carw sica (g), ceirw sica                            |

| Dermochelys coriacea                | leather-back turtle       | crwban môr cefn-lledr (g), -od môr cefn-lledr        |
| Dicentrarchus labrax                | bass                      | draenogyn mor (g), draenogiaid môr                   |
| Diomedea melanophris                | black-browed albatross    | albatros aelddu (g), -iaid aelddu                    |
| Diomedidae                          |                           | albatrosiaid                                         |

|                          |                          |                                                            |
|--------------------------|--------------------------|------------------------------------------------------------|
| Echiichthys vipera       | lesser weever            | môr-wiber fach (b), môr-wiberod bach                       |
| Egretta alba             | great white egret        | crêyr mawr gwyn (g), crehyrod mawr gwyn(ion)               |
| Egretta garzetta         | little egret             | crêyr bach (g), crehyrod bach                              |
| Emberiza aureola         | yellow-breasted bunting  | bras bronfelen (g), breision bronfelyn                     |
| Emberiza bruniceps       | red-headed bunting       | bras pengoch (g), breision pengoch                         |
| Emberiza calandra        | corn bunting             | bras yr y^d (g), breision yr y^d                           |
| Emberiza cia             | rock bunting             | bras y graig (g), breision y graig                         |
| Emberiza cirius          | cirl bunting             | bras Ffrainc (g), breision Ffrainc                         |
| Emberiza citrinella      | yellowhammer             | bras melyn (g), breision melyn(-ion)                       |
| Emberiza hortulana       | Ortolan bunting          | bras y gerddi (g), breision y gerddi                       |
| Emberiza melanocephala   | black-headed bunting     | bras penddu (g), breision penddu                           |
| Emberiza pusilla         | little bunting           | bras Lciaf (g), breision lleiaf                            |
| Emberiza rustica         | rustic bunting           | bras gwledig (g), breision gwledig                         |
| Emberiza rutila          | chestnut bunting         | bras browngoch (g), breision browngoch                     |
| Emberiza schoeniclus     | reed bunting             | bras y cyrs (g), breision y cyrs                           |
| Emberizidae              |                          | breision                                                   |
| Enchelyopus cimbrius     | four-bearded rockling    | brithyll Mair pedair-barf (g), brithyllod Mair pedair-barf |
| Engraulis encrasicolus   | anchovy                  | brwyniad (g), brwyniaid                                    |
| Entelurus aequoreus      | snake fish               | pibell fôr hir (b), -au môr hir(ion)                       |
| Eptesicus serotinus      | serotine                 | ystlum adain-lydan (g), -od adain-lydan                    |
| Equus caballus           | wild pony                | merlen wyllt (b), merlod gwyllt(ion)                       |
| Eremophila alpestris     | shorelark                | ehedydd y traeth (g), -ion y traeth                        |
| Eretmochelys imbricata   | hawksbill turtle         | crwban môr gwalchbig (g), -od môr gwalchbig                |
| Erignathus barbatus      | bearded seal             | morlo barfog (g), -i barfog                                |
| Erinaceus europaeus      | hedgehog                 | draenog (g), -od                                           |
| Erithacus rubecula       | robin                    | robin goch (g), -od coch(ion)                              |
| Esocidae                 |                          | penhwyaid                                                  |
| Esox lucius              | pike                     | penhwyad (g), penhwyaid                                    |
| Etmopterus spinax        | velvet-belly             | morgi seithliw (g), morgwn seithliw                        |
| Eubalaena glacialis      | Biscayan right whale     | morfil y Basgiaid (g), -od y Basgiaid                      |
| Eudromias morinellus     | dotterel                 | hutan y mynydd (g), -od y mynydd                           |
| Euthynnus alletteratus   | little tunny             | tiwna bach (g), -od bach                                   |
| Euthynnus pelamis        | skipjack tuna/marlin     | marlin (g), -od                                            |
| Eutrigla gurnardus       | grey gurnard             | chwyrnwr llwyd (g), chwyrnwyr llwyd(ion)                   |
| Falco columbarius        | merlin                   | cudyll bach (g), -od bach                                  |
| Falco peregrinus         | peregrine                | hebog tramor (g), -iaid tramor                             |
| Falco rusticolus         | gyrfalcon                | hebog y Gogledd (g), -iaid y Gogledd                       |
| Falco subbuteo           | hobby                    | hebog yr ehedydd (g), -iaid yr ehedydd                     |
| Falco tinnunculus        | kestrel                  | cudyll coch (g), -od coch(ion)                             |
| Falco vespertinus        | red-footed falcon        | cudyll troetgoch (g), -od troetgoch                        |
| Falconidae               |                          | hebogiaid                                                  |
| Felis catus              | feral cat                | cath fferal (b), -od fferal                                |
| Felis silvestris         | wild cat                 | cath wyllt (b), -od gwyllt(ion)                            |
| Ficedula albicollis      | collared flycatcher      | gwybedog torchog (g), -ion torchog                         |
| Ficedula hypoleuca       | pied flycatcher          | gwybedog brith (g), -ion brith(ion)                        |
| Ficedula parva           | red-breasted flycatcher  | gwybedog brongoch (g), -ion brongoch                       |
| Fratercula arctica       |                          | pal (g), palod                                             |
| Fringilla coelebs        | chaffinch                | ji-binc (g), -od                                           |
| Fringilla montifringilla | brambling                | pinc y mynydd (g), -od y mynydd                            |
| Fringillidae             |                          | pincod a llinosiaid                                        |
| Fulica atra              | coot                     | cwtiar (b), cwtieir                                        |
| Fulmarus glacialis       | fulmar                   | aderyn drycin y graig (g), adar drycin y graig             |
| Gadiculus argenteus      | silvery pout             | swtan arian (g), -od arian                                 |
| Gadidae                  |                          | penfreision                                                |
| Gadiformes               |                          | penfreision                                                |
| Gadus morhua             | Arctic cod               | penfras (g), penfreision; codyn (g), còd                   |
| Gadus ogac               | Greenland cod            | penfras yr Ynys Las (g), penfreision yr Ynys Las           |
| Gaidropsarus vulgaris    | three-bearded rockling   | brithyll Mair tair-barf (g), -od Mair tair-barf            |
| Galeorhinus galeus       | tope                     | ci glas (g), cw^n glas/gleision                            |
| Galerida cristata        | crested lark             | ehedydd copog (g), -ion copog                              |
| Galeus melastomus        | black-mouthed dogfish    | morgi cegddu (g), morgwn cegddu                            |
| Gallinago gallinago      | snipe                    | giach cyffredin (g), -od cyffredin                         |
| Gallinago media          | great snipe              | giach mawr (g), -od mawr(ion)                              |
| Gallinula chloropus      | moorhen                  | iar ddw^r (b), ieir dw^r                                   |
| Garrulus glandarius      | jay                      | sgrech y coed (b), sgrechod y coed                         |
| Gasterosteidae           |                          | crethyll                                                   |
| Gasterosteidae           |                          | crethyll                                                   |
| Gasterosteus aculeatus   | three-spined stickleback | crothell dri phigyn (b), crethyll tri phigyn               |
| Gasterosteus aculeatus   | three-spined stickleback | crothell dri phigyn (g), crethyll tri phigyn               |
| Gavia adamsii            | white-billed diver       | trochydd pigwyn (g), -ion pigwyn                           |
| Gavia arctica            | black-throated diver     | trochydd gyddfddu (g), -ion gyddfddu                       |
| Gavia immer              | great northern diver     | trochydd mawr (g), -ion mawr(ion)                          |
| Gavia stellata           | red-throated diver       | trochydd gyddfgoch (g), -ion gyddfgoch                     |
| Gaviidae                 |                          | trochyddion                                                |

| Gobio gobio                  | gudgeon                      | llyfrothen dw^r croyw (b), llyfrothod dw^r croyw        |
| Gobius cobitis               | giant goby                   | gobi mawr (g), gobiïod mawr(ion)                        |
| Gobius couchi                | Couch's goby                 | gobi Couch (g), gobiïod Couch                           |
| Gobius cruentatus            | red-mouth goby               | gobi mingoch (g), gobiïod mingoch                       |
| Gobius niger                 | black goby                   | gobi du (g), gobiïod du(ion)                            |
| Gobius paganellus            | rock goby                    | bill bigog (g), pysgod bili bigog                       |
| Gobiuscuhis flavescens       | two-spotted goby             | gobi brych (g), gobiïod brych(ion)                      |
| Grampus griseus              | Risso's dolphin              | dolffin Risso (g), -iaid Risso                          |
| Gruidae                      |                              | garanod                                                 |
| Grus grus                    |                              | garan (bg), -od                                         |
| Gymnammodytes semisquamatus  | smooth sand-eel              | llymrien lefn (b), llymriaid llyfn(ion)                 |
| Gymnocephalus cernuus        | ruff+D92e                    | crychyn (g), crychod                                    |
| Haematopodidae               |                              | pïod môr                                                |
| Haematopus ostralegus        | oystercatcher                | pïoden fôr (b), pïod môr                                |
| Haliaeetus albicilla         | white-tailed eagle           | eryr môr (g), -od môr                                   |
| Haliaeetus leucocephalus     | bald eagle                   | eryr moel (g), -od moel                                 |
| Halichoerus grypus           | grey seal                    | morlo llwyd (g), -i llwyd(ion)                          |
| Helicolenus dactylopterus    | blue-mouth                   | pysgod safnlas                                          |
| Himantopus himantopus        | black-winged stilt           | hirgoes (b), -au                                        |
| Hippoglossoides platessoides | long rough dab               | lleden gennog (b), lledod cennog                        |
| Hippoglossus hippoglossus    | halibut                      | lleden Ffrenig (b), lledod Ffrenig                      |
| Hippolais icterina           | icterine warbler             | telor aur (g), -ion aur                                 |
| Hippolais pallida            | olivaceous warbler           | telor llwyd (g), -ion llwyd(ion)                        |
| Hippolais polyglotta         | melodious warbler            | telor pêr (g), -ion pêr                                 |
| Hirundinidae                 |                              | gwenoliaid                                              |
| Hirundo daurica              | red-rumped swallow           | gwennol dingoch (b), gwenoliaid tingoch                 |
| Hirundo rupestris            | crag martin                  | gwennol y clogwyn (b), gwenoliaid y clogwyn             |
| Hirundo rustica              | swallow                      | gwennol (b), gwenoliaid                                 |
| Homo sapiens                 | man                          | dyn (g), -ion                                           |
| Hydrobates pelagicus         | storm petrel                 | pedryn drycin (g), -nod drycin                          |
| Hydrobatidae                 |                              | pedrynnod                                               |
| Hydropotes inermis           | water deer                   | carw dw^r (g), ceirw dw^r                               |
| Hylocichla ustulata          | olive-backed thrush          | corfronfraith (b), corfronfreithod                      |
| Hyperoodon ampullatus        | northern bottlenose whale    | morfil trwyn potel (g), -od trwyn potel                 |
| Hyperoplus lanceolatus       | greater sand-eel             | llymrien fawr (b), llymriaid mawr(ion)                  |
| Hystrix brachyura            | Himalayan porcupine          | porciwpein Himalayaidd (g), -od Himalayaidd             |
| Hystrix cristata             | crested porcupine            | porciwpein cribog (g), -od cribog                       |
| Icelus bicornis              | two-horned sculpin           | sgorpion môr deugorn (g), -iaid môr deugorn             |
| Insectivora                  |                              | pryf-fwytywyr                                           |
| Irania gutturalis            | white-throated robin         | robin gyddfwyn (g), -od gyddfwyn                        |
| Istiophorus platypterus      | sailfish                     | pysgodyn hwyliog (g), pysgod hwyliog                    |
| Ixobrychus minutus           | little bittern               | aderyn y bwn lleiaf (g), adar y bwn lleiaf              |
| Jynx torquilla               | wryneck                      | pengam (g), pengeimion                                  |
| Kogia breviceps              | pigmy sperm whale            | morfil sberm lleiaf (g), -od sberm lleiaf               |
| Labrus bergylta              | ballan wrasse                | cleiriach y gwymon (g), -od y gwymon                    |
| Labrus mixtus                | cuckoo wrasse                | gwrachen resog (b), gwrachod rhesog                     |
| Lacerta agilis               | sand lizard                  | madfall y tywod (b), -od y tywod                        |
| Lacerta vivipara             | common lizard                | madfall (b), -od                                        |
| Lacertidae                   |                              | madfallod                                               |
| Lagenorhynchus acutus        | Atlantic white-sided dolphin | dolffin ystlyswyn (g), -iaid ystlyswyn                  |
| Lagenorhynchus albirostris   | white-beaked dolphin         | dolffin pigwyn (g), -iaid pigwyn                        |
| Lagomorpha                   |                              | cwningod ac ysgyfarnogod                                |
| Lagopus mutus                | ptarmigan                    | grugiar wen (b), grugieir gwyn(ion)                     |
| Lagopus scoticus             | red grouse                   | grugiar goch(b), grugieir coch(ion)                     |
| Lamna nasus                  | porbeagle                    | corgi môr (g), corgwn môr                               |
| Lampetra fluviatilis         | river lamprey                | llysywen bendoll yr afon (b), llysywod pendoll yr afon  |
| Lampetra fluviatilis         | river lamprey                | llysywen bendoll yr afon (b), llysywod pendoll yr afon  |

| Lampridae                    |                              | opaod                                                   |
| Lampris guttatus             | opah                         | opa (g), -od                                            |
| Lams marinus                 | great black-backed gull      | gwylan gefnddu fwyaf (b), -od cefnddu mwyaf             |
| Laniidae                     |                              | cigyddion                                               |
| Lanius collurio              | red-backed shrike            | cigydd cefngoch (g), -ion cefngoch                      |
| Lanius excubitor             | great grey shrike            | cigydd mawr (g), -ion mawrfion)                         |
| Lanius minor                 | lesser grey shrike           | cigydd glas (g), -ion glas/gleision                     |

|                          |                          |                                                          |
|--------------------------|--------------------------|----------------------------------------------------------|
| Lanius senator           | woodchat shrike          | cigydd pengoch (g), -ion pengoch                         |
| Laridae                  |                          | gwylanod a môr-wenoliaid                                 |
| Larus argentatus         | herring gull             | gwylan y penwaig (b), -od y penwaig                      |
| Larus atricilla          | laughing gull            | gwylan chwerthinog (b), -od chwerthinog                  |
| Larus canus              | common gull/mew gull     | gwylan y gweunydd (b), -od y gweunydd                    |
| Larus delawarensis       | ring-billed gull         | gwylan fodrwybig (b), -od modrwybig                      |
| Larus fuscus             | lesser black-backed gull | gwylan gefnddu leiaf (b), -od cefnddu lleiaf             |
| Larus glaucoides         | Iceland gull             | gwylan yr Arctig (b), -od yr Arctig                      |
| Larus hyperboreus        | glaucous gull            | gwylan y Gogledd (b), -od y Gogledd                      |
| Larus melanocephalus     | Mediterranean gull       | gwylan Môr y Canoldir (b), -od Môr y Canoldir            |
| Larus minutus            | little gull              | gwylan fechan (b), -od bychain                           |
| Larus philadelphia       | Bonaparte's gull         | gwylan Bonaparte (b), -od Bonaparte                      |
| Larus pipixcan           | Franklin's gull          | gwylan Franklin (b), -od Franklin                        |
| Larus ridibundus         | black-headed gull        | gwylan benddu (b), -od penddu                            |
| Larus sabini             | Sabine's gull            | gwylan Sabine (b), -od Sabine                            |
| Lebetus guilleti         | Guillet's goby           | gobi Guillet (g), gobi'od Guillet                        |
| Lebetus scorpioides      | diminutive goby          | gobi bach (g), gobi'od bach                              |
| Lepidochelys kempii      | Kemp's loggerhead turtle | crwban môr pendew Kemp (g), -od môr pendew Kemp          |
| Lepidorhombus boscii     | four-spot megrim         | lledod Fair bedwar-smotyn (b), lledod Mair pedwar-smotyn |
| Lepomis gibbosus         | pumpkinseed              | swilyn tagell-goch (g), swilod tagell-goch               |
| Leptagonus decagonus     | Atlantic poacher         | penbwl Môr Iwerydd (g), penbyliaid Môr Iwerydd           |
| Leptoclinus maculatus    | spotted snake blenny     | llyfrothen fain fraith (b), llyfrothod main brith(ion)   |
| Lepus europaeus          | brown hare               | ysgyfarnog (b), -od                                      |
| Lepus timidus            | mountain hare/Irish hare | ysgyfarnog fynydd (b), -od mynydd                        |
| Lesuerigobius friesii    | Fries's goby             | gobi Fries (g), gobi'od Fries                            |
| Leuciscus cephalus       | chub                     | twb y dail (g), tybiau'r dail                            |
| Leuciscus idus           | orfe/ide                 | orff (g), -od                                            |
| Leuciscus leuciscus      | dace                     | darsen (b), dars                                         |
| Limanda limanda          | dab                      | lledod dywod (b), lledod tywod                           |
| Limicola falcinellus     | broad-billed sandpiper   | pibydd llydanbig (g), -ion llydanbig                     |
| Limnodromus scolopaceus  | long-billed dowitcher    | giach gylfin-hir (g), -od gylfin-hir                     |
| Limosa lapponica         | bar-tailed godwit        | rhostog gynffonfraith (b), -od cynffonfrith              |
| Limosa limosa            | black-tailed godwit      | rhostog gynffonddu (b), -od cynffonddu                   |
| Liparis liparis          | sea snail                | iâr fôr lysnafeddog (b), ieir môr llysnafeddog           |
| Liparis montagui         | Montagu's sea snail      | iâr fôr Montagu (b), ieir môr Montagu                    |
| Lipophrys pholis         | shanny                   | llyfrothen benddu (b), llyfrothod penddu                 |
| Liza aurata              | golden-grey mullet       | hyrddyn aur (g), hyrddod aur                             |
| Liza aurata              | golden-grey mullet       | hyrddyn aur (g), hyrddod aur                             |
| Liza ramada              | thin-lipped mullet       | hyrddyn llwyd minfain (g), hyrddod llwyd minfain         |
| Liza ramada              | thin-lipped grey mullet  | hyrddyn llwyd minfain (g), hyrddod llwyd minfain         |
| Locustella fluviatilis   | river warbler            | telor yr afon (g), -ion yr afon                          |
| Locustella lanceolata    | lanceolated warbler      | troellwr bach rhesog (g), troellwyr bach rhesog          |
| Locustella luscinioides  | Savi's warbler           | telor Savi (g), -ion Savi                                |
| Locustella naevia        | grasshopper warbler      | troellwr bach (g), troellwyr bach                        |
| Lophiidae                |                          | cythreuliaid môr                                         |
| Lophius piscatorius      | angler                   | cythraul y môr (g), cythreuliaid y môr                   |
| Lota lota                | burbot                   | penfras dw'r croyw (g), penfreision dw'r croyw           |
| Loxia curvirostra        | crossbill                | gylfingroes (b), -ion                                    |
| Loxia leucoptera         | two-barred crossbill     | croesbig adeinwen (b), -au adeinwen                      |
| Lullula arborea          | woodlark                 | ehedydd y coed (g), -ion y coed                          |
| Lumpenus lampretaeformis | snake blenny             | llyfrothen fain (b), llyfrothod main/meinion             |
| Luscinia luscinia        | thrush nightingale       | eos fraith (b), -iaid brithion                           |
| Luscinia megarhynchos    | nightingale              | eos (b), -iaid                                           |
| Luscinia svecica         | bluethroat               | bronlas (b), bronleision                                 |
| Lutra lutra              | otter                    | dyfrgi (g), dyfrgwn                                      |
| Lycenchelys sarsii       | Sars's eelpout           | gweflogyn Sars (g), gweflogiaid Sars                     |
| Lycodes esmarkii         | Esmark's eelpout         | gweflogyn Esmark (g), gweflogiaid Esmark                 |
| Lycodes vahlii           | Vahl's eelpout           | gweflogyn Vahl (g), gweflogiaid Vahl                     |
| Lychnocryptes minimus    | Jack snipe               | giach bach (g), -od bach                                 |
| Macropus rufogriseus     | red-necked wallaby       | walabi gwargoch (g), walabiaid gwargoch                  |
| Mallotus villosus        | capelin                  | caplan (g), -iaid                                        |
| MAMMALIA                 |                          | mamaliaid                                                |
